

SUPPLEMENTARY MATERIAL

20th Anniversary of Budapest Nephrology School: History and Lessons

László Rosivall

Department of Pathophysiology, International Nephrology Training and Research Center, Semmelweis University, Budapest, Hungary

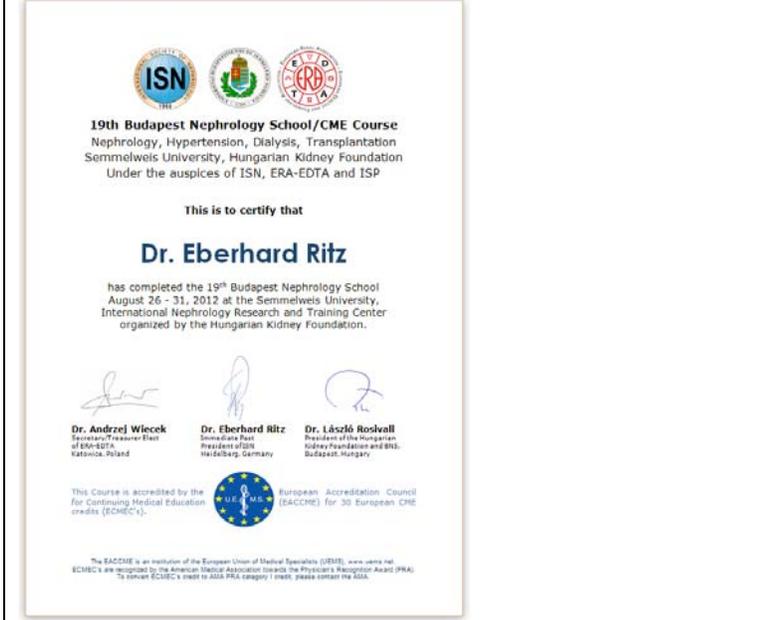

Picture 1:
Participants of the 18th Budapest Nephrology School in the aula of the main building of Semmelweis University Budapest.

Picture 2:
Participants of Budapest Nephrology School enjoying the education, the poster sessions and sightseeing together with the faculty.

Picture 3:
The Serbian group of participants in front of the restaurant after lunch. P. D. Bell, who just got the Silver Plate Award together with T. E. Andreoli (left) and L. Rosivall in the Pictures Room of the Hungarian Academy of Sciences. Faculty discussion (from left: B. Szamosfalvi, J. Kielstein, I. Mucsi, D. Mendelsohn.

Following the successful completion of a test, everyone gets the certificate of internationally accredited CME course.

The Silver Plate Award of the Hungarian Kidney Foundation stands on a green marble.

The 20th Budapest Nephrology School

Nephrology, Hypertension, Dialysis, Transplantation

Under the High Patronage of H.E. Dr. Miklós Szócska, Secretary of State of Health and Under the Patronage of Dr. Ágoston Széli, President of the Semmelweis University

26–31 August, 2013

Under the auspices of **ISN, ERA-EDTA** and **ISP**

In conjunction with the **11th International Symposium on Wine and Health** and on the occasion of the **8th World Kidney Day**

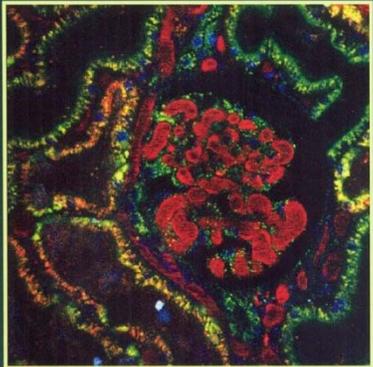

Semmelweis University
International Nephrology Research & Training Center
Worldwide Hungarian Medical Academy
Vanderbilt University Medical Center
University of Toronto, Avicenna College
International Society for Pathophysiology
Hungarian Kidney Foundation (Charity Reg. Nr. 596/1987)

25th Anniversary of the Hungarian Kidney Foundation

The traditional front page of the program booklet for the 20th anniversary of the Budapest Nephrology School.
