

Young Nephrologists' Platform ERA-EDTA

24 – 25 August, 2014

Landmark Studies in Kidney Transplantation

Dear Colleagues,

The ERA-EDTA Council has decided to create a new body, the **Young Nephrologists' Platform (YNP)**, the aim of which is to involve young nephrologists in all the activities of the ERA-EDTA.

As the Chair of the YNP, I would like to invite you to participate at the "**Landmark Studies in Kidney Transplantation**" Course of the Young Nephrologists' Platform held between **24 and 25 August, 2014 in Budapest, Hungary**.

Venue /PLEASE NOTE THE VENUE HAS BEEN CHANGED/

Basic Medical Science Center, Semmelweis University
(*Elméleti Orvostudományi Központ, Semmelweis Egyetem*)
H-1094 Budapest, Tűzoltó utca 37-47.

Registration fee

ERA-EDTA supports young nephrologists in participating at the Young Nephrologists' Platform Course with providing Travel Grants and special registration fees.

Registration fee for **YNP Members** is free of charge, for **ERA-EDTA Member but not YNP Member** it is 25 euro. All other **Non-Members** are warmly welcome, their registration fee is 50 euro.

The fees include the *Attendance to the Course*, the *Certificate of Attendance* and the *coffee breaks and lunches*.

Program

The final program is now available at:

http://www.era-edta.org/images/final_program_YNP_0212.pdf

For further information please check out our website at:
