European Nephrology Examination

Registration through a [dedicated portal](#) is available from 26th October to 7th December 2016 for the European Nephrology Examination and there is a new ERA-EDTA benefit for the first 100 registered candidates!

IMPORTANT! As an incentive for young nephrologists to take the exam, the ERA-EDTA Council agreed to offer the first 100 registering candidates, who are either under 40 or from one of the low income countries - 3 years' free membership. The low income countries are those defined in the ERA-EDTA membership categories under special discounted fees.
